

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

Uited States of America

v.

08-cr-94-01-SM

Peter Mitrano

ORDER

Re: Document No. 55 , Motion for Reconsideration

Ruling:

Granted. The defendant continues to provide insufficient support for his request for travel and living expenses. Nevertheless, in an effort to insure his attendance at trial, I will approve travel expenses to allow the defendant to travel to this district for trial. The assigned trial judge will decide whether further evidence of the defendant's indigency will be required before additional expenses are approved.
